Acceptance

I accept students of all levels from ages 10+. I may be willing to make exceptions for younger students on a case-by-case basis.

Offerings

I am currently offering beginner-advanced violin/fiddle and mandolin lessons, and beginner-intermediate guitar lessons online via Skype. I am not currently teaching lessons in person due to Covid-19.

Rates

I offer lessons weekly (one lesson a week for at least a month) for \$40/hour. I also offer singular lessons with no monthly commitment for \$50/hour.

Payment

I accept payment virtually via Venmo and PayPal.

If you are taking weekly lessons, your tuition is due at the first lesson of the month and will cover all of your lessons for that month (Ex. If you want to take four lessons in a month, you would owe \$160 at the first lesson of that month). This will secure your day and time slot in my schedule for that month.

If you are taking a single lesson, your payment is due at least 48 hours in advance of the lesson. If the lesson is booked less than 48 hours in advance, payment is due immediately.

Cancellations

Every once and a while, either you or I will likely have to cancel a lesson.

If I have to cancel a lesson I will give you the option to make up the lesson at a mutually agreeable time and date. If we cannot schedule a makeup lesson, I will credit the missed lesson on your next bill.

In the case that you have to cancel a lesson, I will offer you a makeup lesson as long as you cancel at least 24 hours in advance. If you cancel a lesson outside of this time frame I cannot offer you a makeup lesson.
